

PRIVACY POLICY:-

Disclaimer: In case of any discrepancy or difference, the English version will take precedence over the translation

We value the trust you place in us and recognize the importance of secure transactions and information privacy. This Privacy Policy describes how Flipkart Internet Private Limited and its affiliates, group companies and related parties (collectively “Flipkart, we, our, us”) collect, use, share or otherwise process your personal data through Flipkart website www.flipkart.com, its mobile application, and m-site (hereinafter referred to as the “Platform”).

While you can browse sections of the Platform without the need of sharing any information with us, however, please note we do not offer any product or service under this Platform outside India and your personal data will primarily be stored and processed in India. By visiting this Platform, providing your information or availing out product/service, you expressly agree to be bound by the terms and conditions of this Privacy Policy, the [Terms of Use](#) and the applicable service/product terms and conditions, and agree to be governed by the laws of India including but not limited to the laws applicable to data protection and privacy. If you do not agree please do not use or access our Platform.

Collection of Your Information:-

When you use our Platform, we collect and store your information which is provided by you from time to time. Once you give us your personal data, you are not anonymous to us. Where possible, we indicate which fields are required and which fields are optional. You always have the option to not provide data by choosing not to use a particular service, product or feature on the Platform.

We collect and analyse your personal data relating to your buying behavior, browsing patterns, preferences, and other information that you choose to provide while interacting with our Platform. We use this information to do internal research on our users' demographics, interests, usage trends, and behavior to better understand your needs and provide you with an enhanced user experience, protect and serve our users. Additionally, this information may also be compiled and analyzed on an aggregated basis. This information may include the URL that you just came from (whether this URL is on our Platform or not), which URL you next go to (whether this URL is on our Platform or not), your computer browser information, and your IP address. Such insights enable us to personalise and optimise our products, services, marketing communications, and the checkout process to better align with your preferences. The insights derived from this analysis may be shared with our group companies, affiliates, related companies, business partners, and third-parties who offer services to us or to whom we provide our products or services. These group companies, affiliates, related companies, business partners and third-parties may use such insights for promotions, advertisements and marketing, product development, and other

commercial purposes. They may also leverage these insights to personalise your browsing experience and customise various aspects of the user journey such as the checkout flow, payment options, delivery recommendations either on our Platform or their own platforms. Please note that any processing of your personal data by third-parties will be governed by their own privacy policies. Flipkart does not control, endorse, or assume responsibility for the privacy practices of third parties, and we encourage you to review their privacy policies.

We may collect personal data (such as email address, delivery address, name, phone number, credit card/debit card and other payment instrument details or medical or health related information) from you when you set up an account or transact with us or participate in any event or contest. While you can browse some sections of our Platform without being a registered member, certain activities (such as placing an order or consuming our online content or services) do require registration. We use your contact information to send you offers based on your previous orders and your interests.

If you choose to post messages on our message boards, chat rooms or other message areas or leave feedback on the Platform or the social media handles maintained by us or if you use voice commands or virtual try and buy or similar features to shop on the Platform, we will collect that information you provide to us. We retain this information as necessary to resolve disputes, provide customer support, troubleshoot problems or for internal research and analysis as permitted by law.

If you send us personal correspondence, such as emails or letters, or if other users or third parties send us correspondence about your activities or postings on the Platform, we may collect such information into a file specific to you.

If you enroll into our loyalty and membership program, such SuperCoin, VIP or similar programs offered by Flipkart, we will collect and store your personal data such as name, contact number, email address, communication address, date of birth, gender, zip code, lifestyle information, demographic and work details which is provided by you to Flipkart or a third-party business partner that operates online/offline establishments or platforms where you can earn loyalty points for purchase of goods and services, and redeem loyalty points. We will also collect your information related to your transactions on Flipkart platform and such third-party business partner platforms. When such a third-party business partner collects your personal data directly from you, you will be governed by their privacy policies. Additionally, we collect your UPI ID if you choose to pay via our Flipkart UPI platform. Flipkart shall not be responsible for the third-party business partner's privacy practices or the content of their privacy policies, and we request you to read their privacy policies prior to disclosing any information.

Flipkart has onboarded certain third-party business partners on the Platform who specialize in the categories like travel ticket reservations, booking online movie tickets, paying online bills and more (Ultra-Partners). If you use the services of Ultra-Partners, you will be

redirected to Ultra-Partners websites/applications and your entry to Ultra-Partners websites/applications will be based on your Flipkart login credentials after seeking your permissions to share the data further. Flipkart shall not be responsible for the Ultra-Partner's privacy practices or the content of their privacy policies, and we request you to read their privacy policies prior to disclosing any information.

Use of Demographic / Profile Data / Your Information:-

We use your personal data to take and fulfill orders, deliver products and services, process payments, and communicate with you about orders, products and services, and promotional offers. We use your personal data to assist sellers and business partners in handling and fulfilling orders; enhancing customer experience; resolve disputes; troubleshoot problems; help promote a safe service; collect money; measure consumer interest in our products and services; inform you about online and offline offers, products, services, and updates; customize and enhance your experience; report to regulatory authorities wherever required, detect and protect us against error, fraud and other criminal activity; enforce our terms and conditions; and as otherwise described to you at the time of collection of information.

With your consent, we may have access to your SMS, instant messages, contacts in your directory, location, camera, photo gallery and device information and we may also request you to provide your PAN, credit information report (from credit agencies), GST Number, Government issued ID cards/number and Know-Your-Customer (KYC) details to: (i) check your eligibility for certain products and services like insurance, credit and payment products; (ii) issue GST invoice for the products and services purchased for your business requirements; (iii) enhance your experience on the Platform and provide you access to the products and services being offered by us, sellers, affiliates, lending partners, business partners or third-parties who offer services to us or to whom we provide our products or services. You understand that your access to these products/services may be affected in the event consent is not provided to us.

In our efforts to continually improve our product and service offerings, we and our affiliates collect and analyze demographic and profile data about our users' activity on our Platform. We identify and use your IP address to help diagnose problems with our server, and to administer our Platform. Your IP address is also used to help identify you and to gather broad demographic information.

We will occasionally ask you to participate in optional surveys conducted either by us or through a third-party market research agency. These surveys may ask you for personal data, contact information, date of birth, demographic information (like zip code, age, or income level), attributes such as your interests, household or lifestyle information, your purchasing behavior or history, preferences, and other such information that you may choose to provide. The surveys may involve collection of voice data or video recordings, the participation of which would purely be voluntary in nature. We use this data to tailor your experience at our

Platform, providing you with content that we think you might be interested in and to display content according to your preferences.

Cookies:-

We use data collection devices such as "cookies" on certain pages of the Platform to help analyze our web page flow, measure promotional effectiveness, and promote trust and safety. "Cookies" are small files placed on your hard drive that assist us in providing our services. Cookies do not contain any of your personal data. We offer certain features that are only available through the use of a "cookie". We also use cookies to allow you to enter your password less frequently during a session. Cookies can also help us provide information that is targeted to your interests. Most cookies are "session cookies," meaning that they are automatically deleted from your hard drive at the end of a session. You are always free to decline/delete our cookies if your browser permits, although in that case you may not be able to use certain features on the Platform and you may be required to re-enter your password more frequently during a session. Additionally, you may encounter "cookies" or other similar devices on certain pages of the Platform that are placed by third parties. We do not control the use of cookies by third parties. We use cookies from third-party partners such as Google Analytics for marketing and analytical purposes. Google Analytics helps us understand how our customers use the site. You can read more about how Google uses your personal data here: <https://www.google.com/intl/en/policies/privacy/>. You can opt-out of Google Analytics here: <https://tools.google.com/dlpage/gaoptout>. You can also control the use of cookies at the individual browser level, but if you choose to disable cookies, it may limit your use of certain features or functions on the services.

Sharing of personal data:-

We may share personal data with Flipkart group companies including Flipkart Advanz Private Limited, Scapic Innovations Private Limited, and other Flipkart affiliates, related companies, including Credit Bureaus and business partners (such as UPI platform), for purposes of providing products and services offered by such Flipkart group companies and affiliates and related companies, such as, personal loans offered by Scapic Innovations Private Limited through its lending partners, insurance, the deferred payment options, Flipkart PayLater offered by Flipkart Advanz Private Limited through its lending partners. These group companies, affiliates and related parties may share such information with their own affiliates, business partners and other third parties for the purpose of conducting the required checks, namely for the purpose of credit underwriting, providing you their products and services and may market to you as a result of such sharing.

For products that are required to be prescribed by qualified professionals under law, we permit processing of such orders on the Platform only upon confirmation that a valid prescription has been uploaded by you. In cases where the prescriptions uploaded by you are invalid, illegible, or expired or if prescription is not uploaded by you, we may, through third-

party vendors connect You with medical practitioners, teleconsultants or third-party professionals where required to rectify the prescription or in case of invalid/illegible/expired prescription or issue a prescription in case prescription is not uploaded by you, based on the information that You provide to them. You agree and acknowledge that you will be redirected to the teleconsultation services only in limited cases where prescription validation or prescription issuance is required.

Additionally, we may also disclose your personal data to third parties, such as our sellers, business partners. This disclosure may be required for us to provide you access to our products and services; for fulfillment of your orders; for enhancing your experience; for providing feedback on products; to collect payments from you; to comply with our legal obligations; to conduct market research or surveys; to enforce our Terms of Use; to facilitate our marketing and advertising activities; to analyze data; for customer service assistance; to prevent, detect, mitigate, and investigate fraudulent or illegal activities related to our product and services. In addition, we may share your personal data with business partners and third-parties who offer services to us or to whom we provide our products or services to enable them to offer, advertise, personalise your browsing experience and customise various aspects of the user journey such as the checkout flow, auto-filling sign-up details to facilitate a faster checkout process, or promote their own products and services to you and this may include, without limitation, conducting marketing campaigns, personalised customer engagement, curated product or service recommendations, and other outreach activities designed to align with your interests and preferences.

We may disclose personal data if required to do so by law or in the good faith belief that such disclosure is reasonably necessary to respond to subpoenas, court orders, or other legal process. We may disclose personal data to law enforcement agencies, third party rights owners, or others in the good faith belief that such disclosure is reasonably necessary to enforce our Terms of Use or Privacy Policy; respond to claims that an advertisement, posting or other content violates the rights of a third party; or protect the rights, property or personal safety of our users or the general public.

We and our affiliates will share / sell some or all of your personal data with another business entity should we (or our assets) plan to merge with, or be acquired by that business entity, or reorganization, amalgamation, restructuring of business. Should such a transaction occur that another business entity (or the new combined entity) will be required to follow this Privacy Policy with respect to your personal data.

Links to Other Sites:-

Our Platform may provide links to other websites or applications that may collect personal data about you and you will be governed by their privacy policies. Flipkart shall not be responsible for the privacy practices or the content of their privacy policies, and we request you to read their privacy policies prior to disclosing any information.

Security Precautions:-

We maintain reasonable physical, electronic and procedural safeguards to protect your information. Whenever you access your account information, we offer the use of a secure server. Once your information is in our possession, we adhere to our security guidelines to protect it against unauthorized access. However, by using the Platform, the users accept the inherent security implications of data transmission over the internet and the World Wide Web which cannot always be guaranteed as completely secure, and therefore, there would always remain certain inherent risks regarding use of the Platform. Users are responsible for ensuring the protection of login and password records for their account.

Choice/Opt-Out:-

We provide all users with the opportunity to opt-out of receiving non-essential (promotional, marketing-related) communications after setting up an account with us. If you do not wish to receive promotional communications from us, then please login into the Notification Preference page of Platform [<https://www.flipkart.com/communication-preferences/email>] to unsubscribe/opt-out.
